Subject: 008-256-07 Hub Paint Color

In keeping with our continual commitment to customer satisfaction, Dexter Axle has changed the paint color from red to black on the 5 on 5.00 idler hub (Part Number 008-256-07). This is a running change and will not affect existing part numbers or pricing.

Please contact your Dexter Sales Engineer if you have additional questions or need further assistance regarding this product change.
