

PRODUCT BULLETIN #391

Date: October 25, 2017

Subject: Discontinuation of AL-KO Axis 10" and 12" Electric Brake and Drum

Effective immediately, the AL-KO Genuine Replacement Parts by Dexter program will no longer offer 10" x 2-1/4" 3.5K and 12" x 2" 6K & 7K electric brakes or drums. Dexter is implementing this change in an effort to continue servicing customers with the highest level of quality, in the most effective manner. The obsoleted AL-KO genuine kits utilize components that are interchangeable with genuine Dexter components. Their absence reduces the need for dual inventory like product.

The charts below detail the AL-KO genuine kits and component parts that will be affected. The equivalent substituting Dexter genuine replacement kits and component part numbers are concurrently listed.

BRAKE & BRAKE KITS:

| Obsolete AL-KO P/N | AL-KO Product Description | Replacing Dexter P/N |
|--------------------|---|----------------------|
| K23-542-00 | BRAKE KIT 10" X 2-1/4" 3.5K ELECTRIC - LH | K23-026-00 |
| K23-543-00 | BRAKE KIT 10" X 2-1/4" 3.5K ELECTRIC - RH | K23-027-00 |
| K23-537-00 | BRAKE KIT 12" X 2" 7K ELECTRIC - LH | K23-180-00 |
| K23-536-00 | BRAKE KIT 12" X 2" 7K ELECTRIC - RH | K23-181-00 |
| 023-542-00 | ELECTRIC BRAKE 10" X 2-1/4" 3.5K - LH | 023-026-00 |
| 023-543-00 | ELECTRIC BRAKE 10" X 2-1/4" 3.5K - RH | 023-027-00 |
| 023-537-00 | ELECTRIC BRAKE 12" X 2" 7K - LH | 023-180-00 |
| 023-536-00 | ELECTRIC BRAKE 12" X 2" 7K - RH | 023-181-00 |

MAGNET KITS:

| Obsolete AL-KO P/N | AL-KO Product Description | Replacing Dexter P/N |
|--------------------|--------------------------------------|----------------------|
| K71-871-00 | MAGNET KIT 10" AL-KO ELECTRIC BRAKES | K71-104-00 |
