**Subject: E-Z Grab Screen Door Bar**

In keeping consistent with Dexter's focus on continuous improvement; Dexter is pleased to announce the launch of a new grab bar specially designed to make closing your RV or motorhome door much easier.

Dexter's E-Z Grab Bar is manufactured to work on most sizes of screen doors with a range of 22" to 32". The E-Z Grab is also very easy to install on your screen door with a simple three screw installation. Dexter's long-lasting anodized finish will keep this grab bar looking new and fresh for years to come.

It is not recommended to use this grab bar as an assistance bar to enter or exit the unit. Excessive amounts of weight should also not be applied to the grab bar.

Please contact your Dexter Account Manager for any additional questions or further assistance.
