TOW ASSIST® EXPANDED OFFERING - 6 ON 5.50" WHEEL BOLT PATTERN FOR 12" ELECTRIC BRAKES

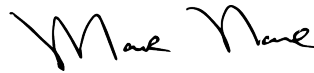

December 20, 2023

Dexter's Tow Assist® is now available with 6 on 5.50" wheel bolt pattern hub-drums using 12" x 2" electric drum brakes. The new hub-drums incorporate Dexter's patented wheel speed sensor targeting method by offering a cast in tone ring into the brake band for both Nev-R-Lube® (008-551-80) and standard grease 12" x 2" Lube (008-558-09) options. The D52, D60, #11, and #12 axle models can now be ordered with Tow Assist utilizing a 6 on 5.50" wheel bolt pattern.

008-551-80 HUB-DRUM, 6K, 6 ON 5.50" BC, STUDDED & 42MM NEV-R-LUBE BEARING	008-558-09 HUB-DRUM, 6K, 6 ON 5.50" BC, 15245 OUTER, CUPPED & STUDDED
