## AL-KO OIL CAP TRANSITION

March 6, 2024

Dexter is obsoleting the legacy AL-KO oil cap (021-219-00) that fits 10,000 lbs. - 16,000 lbs. axles and replacing with the Rockwell oil cap (021-229-00). Dexter will continue to support service replacements using the existing oil cap kit part number K71-859-00.

### K71-859-00 KIT COMPONENTS:

OBSOLETE P/N	REPLACEMENT P/N	QTY	DESCRIPTION
021-219-00	021-229-00	1	OIL CAP, 10K-16K
010-258-00	010-126-00	1	O-RING FOR OIL CAP
085-017-00	046-032-00	1	PLUG FOR OIL CAP

Note: The Rockwell oil fill plug (046-032-00) is smaller and NOT interchangeable with the AL-KO oil fill plug (085-017-00) or cap (021-219-00). The existing AL-KO oil fill plug will remain available as an individual service part until inventory is depleted.

Please contact your Dexter account manager for additional information and further assistance.
